DAVID Y. ENG PRIMARY EXAMINER Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Section 112, 2nd par. Rejection is withdrawn. Applicants' representative said the Eriksson does not teach encoding address change into a SIG field in a PNNI topology state element. The Examiner responses that Eriksson teaches updating topology (addresses) via PTSE. The examiner further states that the instant invention requires a special decoder which render the encoding of address change in a SIG filed in PTSE. Applicants agree to amend all independent claims to incorporate that feature.
